

How can International Students find proper jobs in Nagano?

~Win-win relationships in the local community~

SetsuTakao, Katagiri Toshihiro, So Rumi, Yoshida Mayu, Tsuchiya Kyoka

[Interview1]

Shinshu University session

- Cultural difference
- Friendships
- Lack of Japanese language skills
- Difficulty of Job hunting

※We need to think not only about going to university but also about job hunting.

WE FOCUS ON JOB HUNTING

What is fear?

[Interview2]

Local government
 → • They can't use their skills fully
 • There is no good company for them

Seminars for job huntings
 Internship

Mismatch

Small and medium-sized companies

Want to work in the big companies

[Interview3]

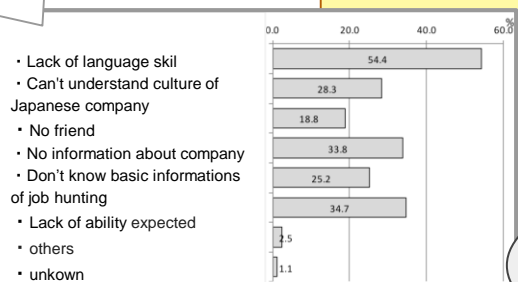

Interview at Shinshu University

What do they want for job hunting?

- Any scale of company is ok
- Where they can learn skills and make use of their skills

Things International students think they lack when hunting job in Japan

Focus on university students

Suggestion

We are friends project

3~5 Japanese students support one international student.
 Support the student with language and cultural difficulties.

- teach Japanese
- teach Japanese lifestyle
- share experiencies

International students can solve the problems that they have in job hunting.
 ⇒Find good job!

We can get useful information and understand what we are worried about in studying abroad.
 ⇒Study abroad successfully!
