

# The Society Seen After the Entrenched Concept Is Gone

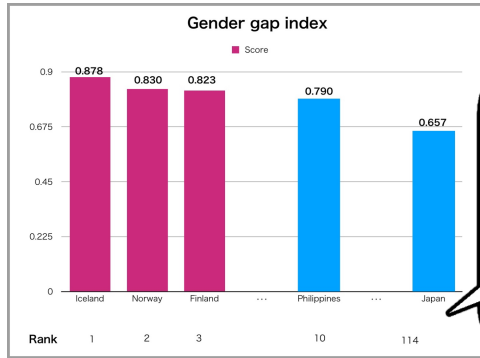

~from comparing the gender gap between Japan and the Philippines~

Kageyama Sachiho Fujimoto Shinei Yamamoto Takahiro Niidome Keigo Asaoka Haruka

《 THE CURRENT STATE OF JAPAN 》

BOYS LIKE BLUE AND  
GIRLS LIKE RED.  
WOMEN ARE TO BE  
NURSES AND MEN TO  
BE DOCTORS.

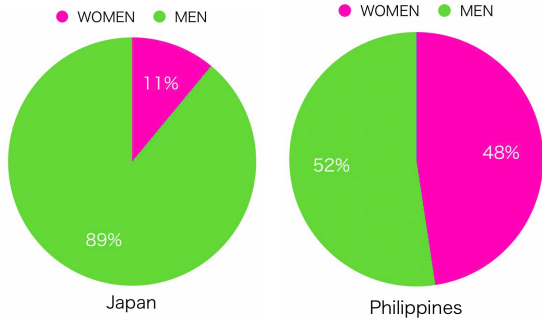

AFTER GETTING  
MARRIED, WOMEN  
RAISE CHILDREN  
AND MEN WORK

PHILIPPINES  
10/145  
JAPAN  
114/145

WE FEEL STRANGE ABOUT THESE  
DIFFERENCES BETWEEN MEN AND WOMEN.

→LOOKING AT THIS GRAPH, WE CAN SAY  
THAT JAPAN HAS STRONG GENDER BIAS.

THE REASONS WHY THE PHILIPPINES  
IS HIGH IN THE GENDER GAP INDEX

①IT IS COMMON TO RAISE CHILDREN WITH  
THE HELP OF THE FAMILY AND OTHERS.

②THEY HIRE HELPERS FOR DOING  
HOUSEHOLD CHORES.

①WOMEN INVOLVED  
IN NATION BUILDING

②THE PHILIPPINES  
COMMISSION ON WOMEN

①DESIGN AND EXECUTION A PROGRAM OF GENDER. APPROVAL OF  
EXPENDITURE OF EACH MINISTRY AND LOCAL GOVERNMENT.

② FUNDING FOR POOR WOMEN TO GET JOBS. HOLD A SEMINAR TO  
LEARN WAYS OF MAKING POLICY.

WITH THIS HELP, WOMEN IN  
THE PHILIPPINES CAN EASILY  
GO OUT TO WORK.

~WHAT WE CAN DO~

AFTER WE ENTER COLLEGES, WE WILL ESTABLISH BASES IN THEM

[ MERITS FOR WOMEN]

- 1,THEY CAN CONCENTRATE ON  
THEIR CAREER
- 2,WOMEN WILL HAVE MORE  
WORKING OPPORTUNITIES

[ MERITS FOR THE ELDERLY]

- 1,PREVENTION OF DEMENTIA  
AND UNATTENDED DEATH
- 2,EACH OF THEM WILL PLAY  
THEIR PART

IMPROVE THE WORKING ENVIRONMENT FOR WOMEN
