

# Involvement in Community and Children Growth —What We Learned in Cambodia—

A40

Kaibara Senior High School : Kuge Mizuki Funakawa Kanoka

## <Cambodia>

- NOT Sufficient school buildings or teachers
- CANNOT go to school for financial reasons

### “IKTT”

- All the adults in the village raise children together
- Children grow up in the wilderness
- Children help their parents

### Problems

- Literacy rate is low
- Teachers are not skilled enough

## <Japan>

- Sufficient school buildings or teachers
- Children DON'T WANT TO go to school

### “Tamba”

- Community school, outdoor classes, adventure activities
- Regional festivals and events

### Problems

- What should be taught at home is taught at school
- Changing life style
