

SHOPPING MAP IN NISHINOSHIMA

2741 : Oki Dozen High School
Kokoa Kashiwadani, Maho Kuramoto, Shino Takeda, Souki Matumoto

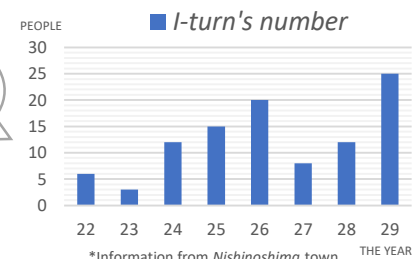

Purpose : *I-turn* people go shopping smoothly in *NISHINOSHIMA* as well and live comfortably

What is *I-turn*?

There are people who moved to a different place from their hometowns, especially moved to the country side from an urban area.

There are many *I-turn* people in Oki Dozen Area.

Background

The Dozen doesn't have convenience stores and supermarkets.

There is a booklet called "Shopping Map in Ama", but *Nishinoshima* does not have any booklets about stores.

An *I-turn* person said, "There is not much information about stores in *Nishinoshima*".

Activity

[Our action]

- Search the number of stores and their addresses.
Ask staffs about their shops.
Finally, we visited 20 stores.
- Write down the information.
Make a booklet.
- I-turn* people used it.
They commented on it.
- We made corrections.
- In addition, we made an electronic edition.

Result

About booklet

[Good points]

- Explanation on the stores
- Information on the stores
- Beautiful pictures
- Each district has a district color
- Chance to talk with store staffs
- Made an English version for foreign people

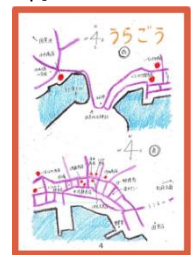

[Bad points]

- The order of the map
- Blocking the hands

We made corrections!

[Make a detailed map]

[On the web]

Conclusion

[To improve the quality]

- To hear and write more information about stores
- To add more stores
- To make a homepage
