Aoki Afterschool Center

1. Tablets for Technology Assistance
2. Learning Support Teachers
3. Consistent Support Education

British System

★ Common use of
inclusive education

Students are automatically
enrolled in local schools

▶ Special needs school with a
doctor's permission

Challenges in Japan

- ★ Large Work Burden
 - Paperwork and Meetings
- ★ Must prepare for every subject
- ★ No time for individual
student support

My Idea

★ Subject Specialist Teachers

– Preparation Burden

+ Support Time
