

What They Really Need Now

Kanagawa Prefectural Yokohama Senior High School of International Studies
Study Tour in Cambodia, Vietnam and Borneo in 2017 August

Peace Contribution

~Cambodia~

People focus on
landmine clearance

There are bigger problems in education

Education In Cambodia

- 69% graduate from elementary school
- Students dream to be :
police officers, teachers and doctors

We must support their Education
to make Cambodia self-sufficient

**LANDMINE CLEARANCE
is NOT a GOAL!**

Global Business

~Vietnam~

Education gap between
big cities and rural areas

DVD-Based Education

- Place:
Lai Chau (One of the poorest provinces)
- Target: Children aged 6 to 7

Children have the
right to get basic
education!!

Vietnamese

Mathematics

**Business can
make people
happy!**

We must **SHARE these ideas!!!**

Environmental Issues

~Borneo~

Animals are threatened
with extinction because of
Palm oil plantation

Current Situations & Issues

- 50% of the forest has been cut down for these plantation
- The Orangutan population has decreased by 80% over the last decade

**Our
CONSUMPTION CHOICE
will change the way of
BUSINESS**
