

Disarmament based Learning; Toward a World Free of Nuclear Weapons

2650 Hiroshima Jogakuin High School

Carrying on Memories

Hibakusha's stories of 8.6

→to carry on the memories of August 6th is our responsibility!!

- **Hi-Meguri** - Tour of the Hiroshima Peace Memorial Park
- **Hiroshima Archive** with Hidenori Watanabe of Tokyo Metropolitan University.

Conclusion

- Our duty to hand down memories of the A-bomb attack on Hiroshima
- Many people need to know about nuclear dangers

→Nuclear issues=**a real problem**

→aim for **a world without nuclear weapons**

Lectures on Nuclear Disarmament

- lecture about nuclear disarmament by Hiroshima City University professor Robert Jacobs

Example: Nuclear Non-Proliferation Treaty

The Nuclear Fuel Cycle

Domesticating Hiroshima in America

→the danger of the nuclear weapons

Peace Forum

- nuclear weapons=everybody's problems

→**peace forum**

- researched about NGOs
- made presentations
- shared the information

→**made action plans**

Ex) share the information on Twitter

→increase the number of people who feel that nuclear disarmament is their responsibility.
