Should we bridge the ¨Education Gap¨
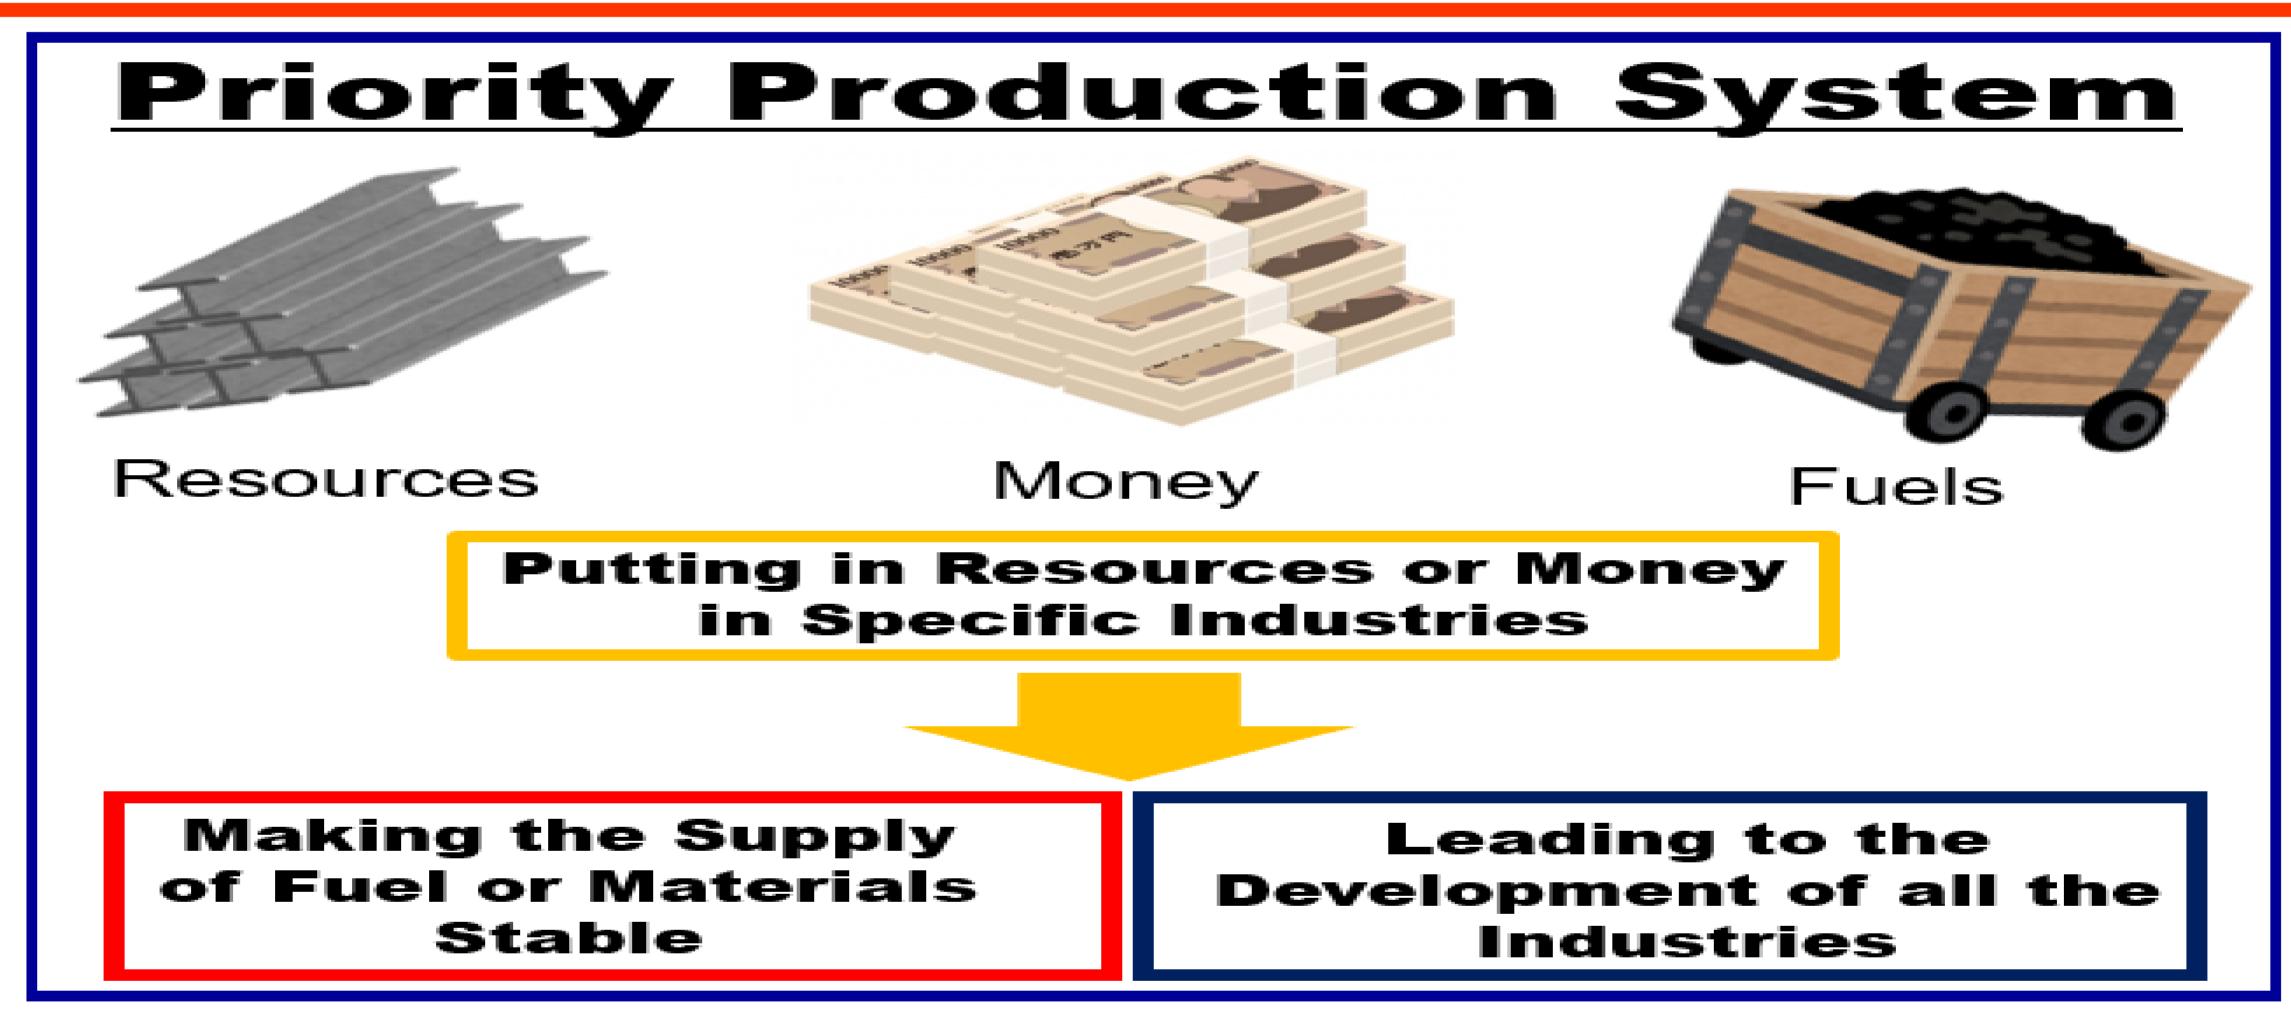

decide our future career

Economic disparity

Education gap

Gender disparity

高校生が思い浮かべる格差
（複数回答）

	経済	男女	能力	一票	情報	医療	その他
女子	10	6	1	0	2	0	0
男子	32	3	4	2	0	1	4

人数（人）

Educational gaps due to economic differences

Question

Would it be the right thing to connect these gaps?

Priority Production System

Resources

Money

Fuels

Putting in Resources or Money in Specific Industries

Making the Supply of Fuel or Materials Stable

Leading to the Development of all the Industries

Provide education and opportunity to all people

We cannot prepare enough money.

opportunity

Education

Leaders who can contribute to their own countries

Conclusion

Education is to provide all the students in which they can make the choices they really want to.
