What is “TITP”?

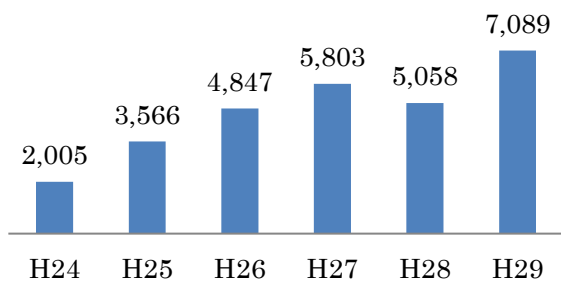

The “TITP” is the Technical Intern Training Program . It’s a national program which accepts foreign workers as technical interns and teaches them skills and knowledge.

The purpose of “TITP”

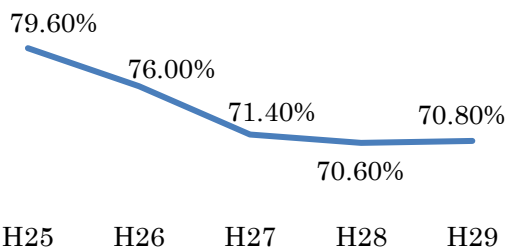

- Transplanting skills and knowledge into developing countries.
- Training people who will play a role in economic growth.

Current situation of technical interns

The number of technical interns who fled or escaped.

The rate of companies in “TITP” which have broken the law.

Technical Interns

	2014	2015	2016
The number of fatalities from work-related accidents	8	9	5
Fatalities/100,000 people	4.8	4.7	2.2
The number of fatalities from work-related accidents	1,057	972	928
Fatalities/100,000 people	1.8	1.7	1.7

Japanese workers

We should be aware of the “TITP”!
