

Our quest for better Tsuruga High School

-Let's make our school more attractive-

Tsuruga High School

introduction

We wanted... " More JHS students to come to our school !! "

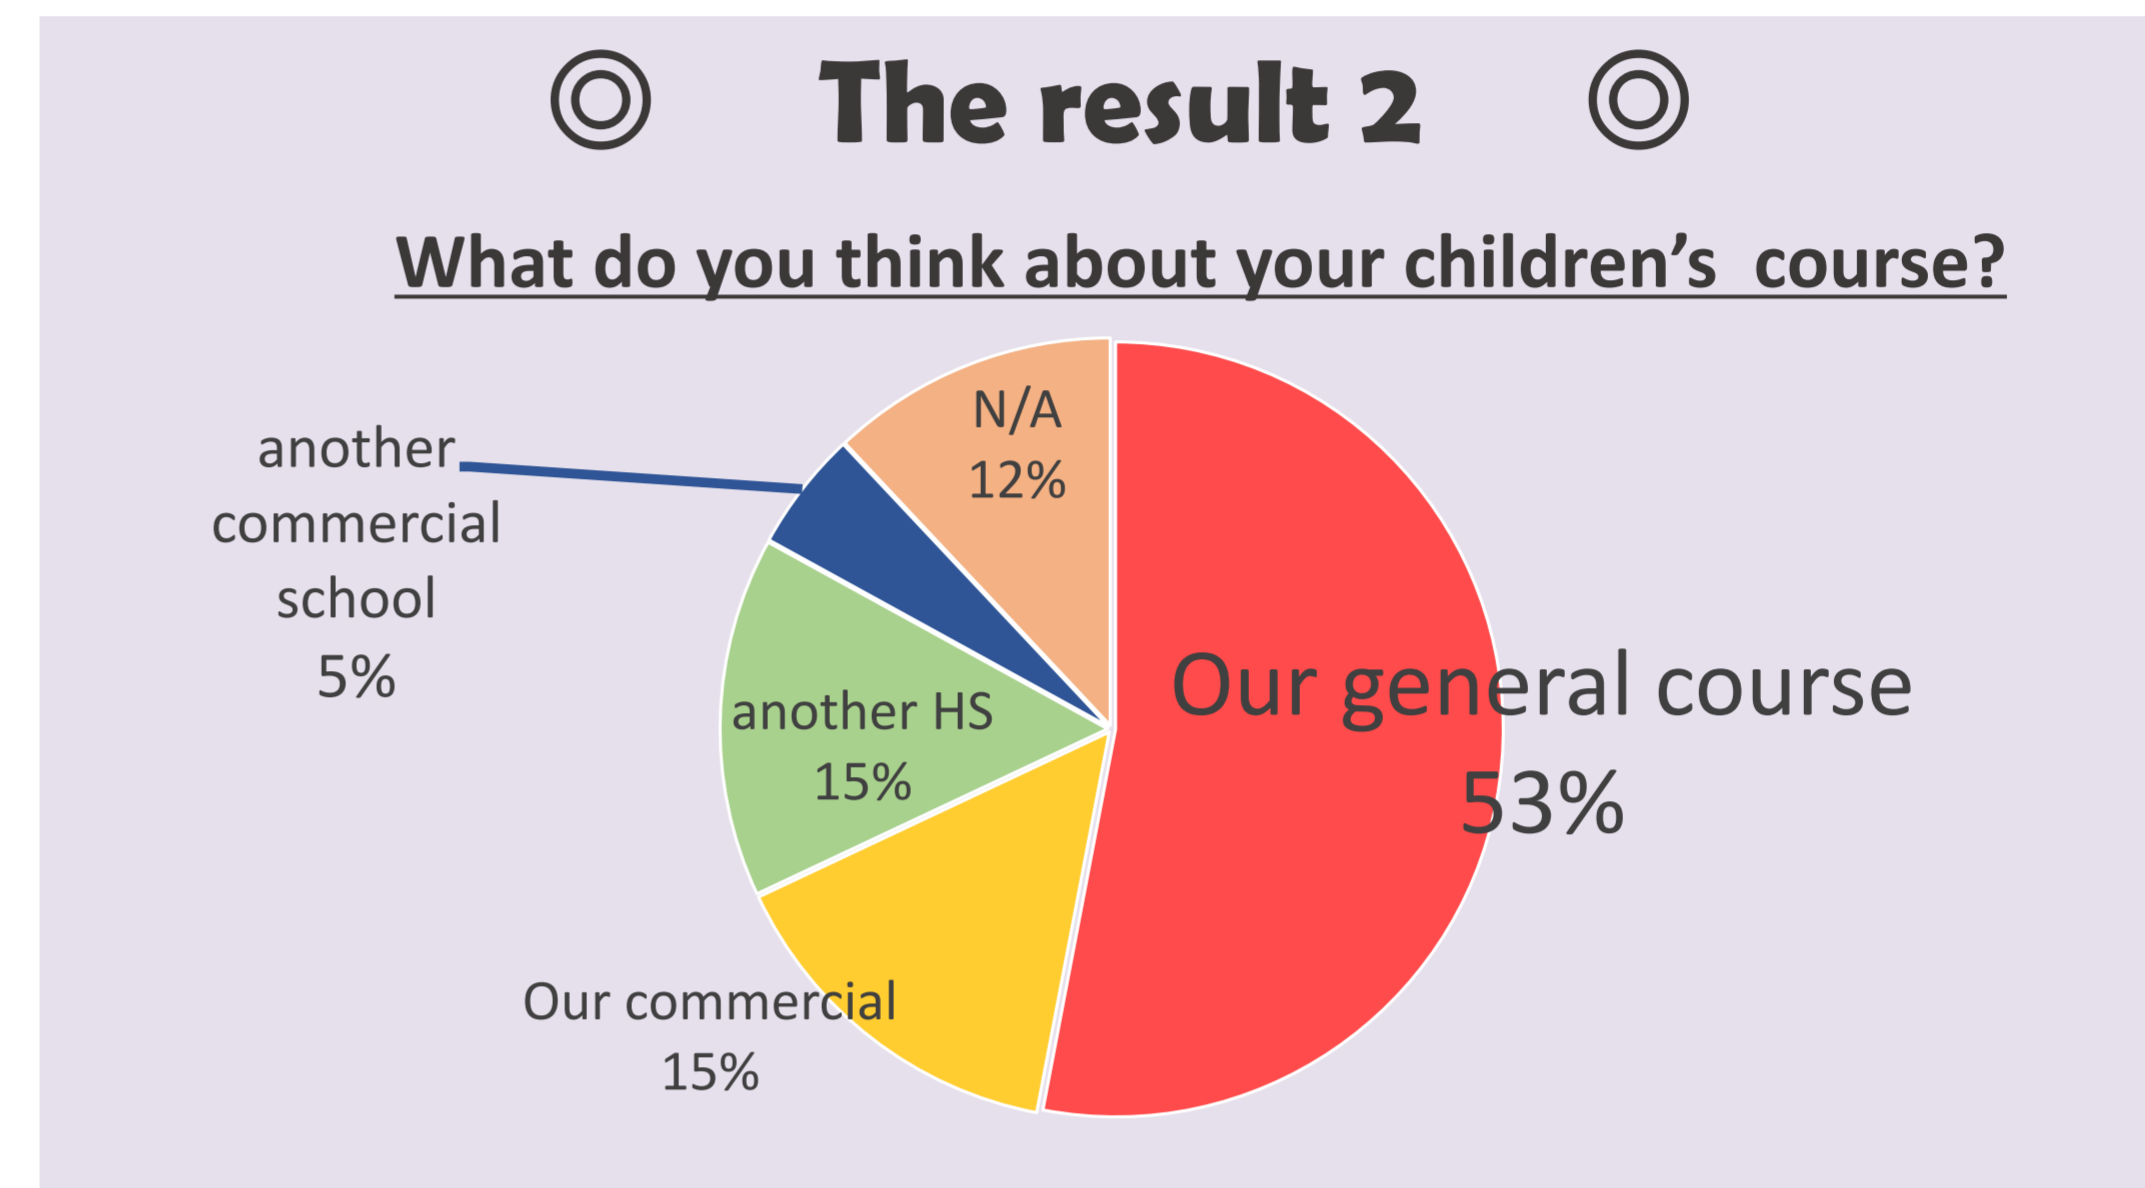

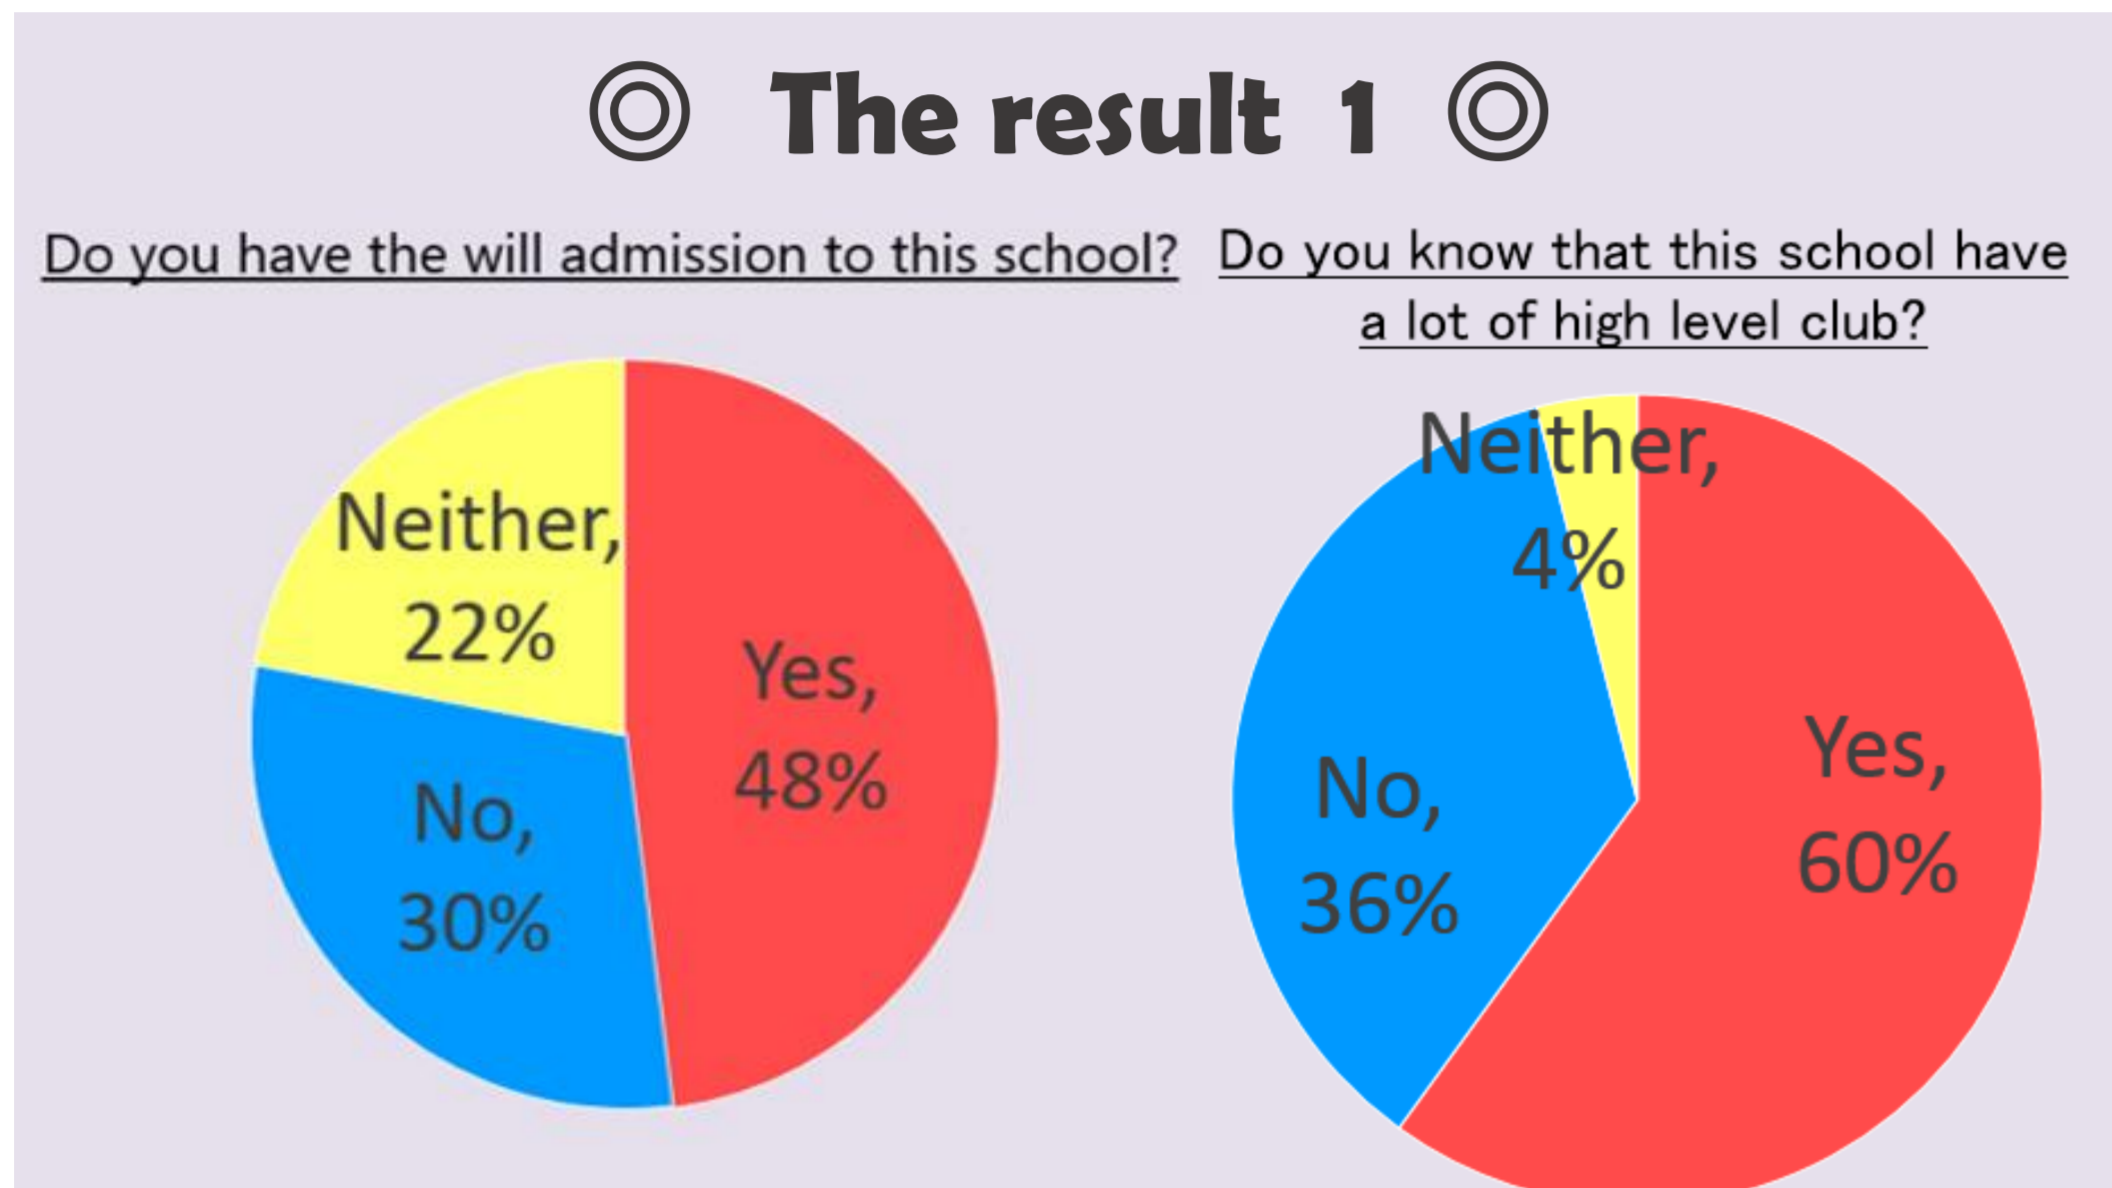

Did survey aiming at JHS students to found **problems of our school**

➔ **We want to change our school!!**

Survey

① Aiming at JHS students(The image they have about our school)

② Aiming at JHS students' parents(The question about school life they have)

The Students seem to enjoy school life!

I want to make my dream come true through study!

Students try to succeed in both study and club!

Students seem to be force to study...

Students have a lot of homework and they seem to very busy...

Present situation

- The number of extracurricular class is very few.
- Can't join extracurricular activities because we are very busy.
- We feel that our teachers made us study. (We cannot study in a way we enjoy)

to find a better plan !

Topic	Japan	Germany
Start - End	8:30 - 16:30	7:30 - 15:00
Club	Everyone should join	No club
After school	Club activities @school	Go out
Part time- job	forbidden	depends on the person's values
Homework	A lot for each subject	Essential for joining class
class	Just listen to the lecture	Discussion

Plan

◎ **Plan 1** ◎

The teachers should make enough time for discussion.

Now Just listen to the lecture.

▼ Rethink the schedule.
Ex: Introduce class that focus on doing discussion.

Each students can understand more deeply than now!!!!

The students can make deep ties!!!!

◎ **Plan 2** ◎

The teachers should do more extracurricular lessons.

- Students can study at an advanced level.
- Ask outside people to come if teachers are busy. (paid by PTA)

↓

We can broaden our horizons!!!!

◎ **Plan 3** ◎

The teachers should adjust the schedule.

- Some students have many extracurricular activities. **Busy!!**

- Give students the right to choose what they want to do.
- Our school should follow schedule strictly.

◎ **Plan 4** ◎

The teachers should tell us why we study.

Now Almost students think **Our teachers make us study!!**

The teachers should tell importance of studying.

Students' motivation will up!!!
